Re: Bayliner 175BR Service Manual It's doubtful there is a Service Manual for the boat. They usually release Service Manuals for the motor. OB will be a single service manual, I/O will have one for the drive and one for the motor. The manufacturer makes the boat, but installs everything in it third party. I have a 2005 Bayliner 175 with a Mercruiser 3.0L 135 HP. After dewinterizing it last week, I ran the engine with freshwater hookup at various RPMs with no problem. When I actually put it in the water, it would only run for about 15 seconds, then quit.
