Ancient China depended on farming in order to feed its people. Rice was one of the first crops they learned to grow, and they still produce it...China has one of the largest populations in the world, and accordingly one of the highest populations of children in the world. In this lesson, we'll talk about child labor as it applies to China ...For nationals of most countries, they need to apply for a China entry visa unless they are covered by China's exemption policy. Major cities like Shanghai, Beijing, and Hangzhou have adopted the 24 / 72/ 144 hours visa-free transit schemes to facilitate short-term tours in China. Dr. T. Colin Campbell of Cornell University co-directed one of the most comprehensive nutrition studies ever undertaken, the China Project. Together with his son Dr. Thomas M. Campbell they shared his research findings in their best selling book *The China Study*.
